香港銅鑼灣告士打道311號皇室堡24樓2407室

### Learn Mandarin (Chinese) : Non-Chinese Speakers

Mandarin- More than 10 billion of people who speak Mandarin in the world.

#### Objective:

Our Mandarin course is designed for non-native Chinese speakers. We extensively teach from foundation to the advanced level, including Pinyin, vocabulary, sentence structure and daily expression and so on. Students can learn and master Mandarin in a practical way and fulfill their aims in their daily life.

#### Course Outline:

We provide different types of courses including 1-on-1 private lesson, self-group private lesson and regular group lesson. Our courses are focusing on oral skills, listening, comprehension, proficiency-oriented activities and stroke orders of Chinese words (optional) for beginning learners. For intermediate to advanced level, a lot of discussion and reading with more vocabularies will be taught according to the profession of students
